Joseph Urban Tyrant of Guts Hollow!

ABILITIES

Bloodgruel

Roll a dice each time a Butcher successfully casts or unbinds a spell (roll a die resolving the effects of the spell). On a 2 or more, the Butcher heals 1 wound. On a roll of 1, however, the Butcher chokes on whatever gobblet of flesh he was ramming down his throat and suffers 1 mortal wound.

Great Cauldron

A Butcher that is lashed to a great cauldron can reach inside once during each of their hero phases, dragging out the bloodied remains of a former foe and gobbling it down in order to unleash gastronomic powers. If he does so, roll a dice and consult the table below to find out what happens: Result Effect 1 Bad Meat: The Butcher suffers from a violent bout of indigestion and suffers D3 mortal wounds. 2 Troggoth Guts: The Butcher gobbles down the slippery innards of a Troggoth to transfer the beast's uncanny healing powers upon himself and his allies. The Butcher heals D3 wounds and all other friendly Ogor models within 14" heal a single wound. 3-4 Spinemarrow: The Butcher sucks out the marrow from a gory spinal column, empowering his allies. Select an Ogor unit within 14". Until your next hero phase, you can add 1 to all hit rolls made by that unit in the combat phase. 5-6 Bonecrusher: The Butcher shovels great mouthfuls of ribs and skulls into his mouth. As he chews, the enemy's bones begin to snap and break. Roll a dice for each enemy unit within 7" of the Butcher. On a 4 or more, that unit suffers D3 mortal wounds.

ABILITIES

Big Name

Before setting this model up, roll a dice to discover its big name: Result Name 1 Deathcheater: The Tyrant has 9 Wounds instead of 8. 2 Brawlguts: You can add 1 to wound rolls for this Tyrant in the combat phase if it charged in the same turn. 3 Fateseeker: The Tyrant has a Save of 3+ instead of 4+. 4 Longstrider: The Tyrant has a Move of 8" instead of 6". 5 Giantbreaker: If any of the Tyrant's weapons targets a Monster, add 1 to its Damage. 6 Choose the result.

The Bonegrinder Gargant's coating is heated by earth-burning hotspots as it stomps its way across the battlefield. Its skin is made of a kind of heat-resistant material that is impervious to the effects of fire, and it can resist fire damage without the usual penalties.

DESCRIPTION

A Bonegrinder Gargant is a single model armed with a Gargantuan Club, Thunderfist Storm and Mordal Shovel.

WEAPONS

Weapon	Alloy	Cost	Weight	Damage
Hotel Recker - MSHDZ	1	4+	2+	-2 D6
Gargantuan Club - MSHDZ	3+	3+	3+	-1 2
Thunderfist Storm - MSHDZ	1+	3+	3+	-2 D6
Mordal Shovel - MSHDZ	1+	3+	3+	-2 D6
DAMAGE TABLE				
0-4	12"	18"	2D6	
5-8	10"	18"	2D6	
9-12	8"	14"	2D6	
13-16	7"	12"	D6	
17+	6"	10"	D6	

ABILITIES

10-10s: Use Head On

A Bonegrinder Gargant's cowards never makes for an especially deadly weapon, though if they a good track during a battle. At the start of the combat phase, you can pick 1 enemy model that has a wounds characteristic of 4 or less and that is within 3" of this model, and roll a dice. On a 4, that model is slain.

Jump Up and Down

Bonegrinder Gargants are so heavy that they can't move their feet. Instead, they jump up and down on their feet, which makes them very difficult to hit.

At the end of the combat phase, you can pick 1 enemy unit within 1" of this model. If you do so, roll a dice. If the dice roll is equal to or less than the number of models in that unit, that unit suffers D6 mortal wounds.

Longshanks

Such is its size, a single step made by a Bonegrinder Gargant can cover an astonishing distance. This model is eligible to fight in the combat phase if it is within 6" of an enemy unit instead of 3", and it can move an extra 3" when it does so.

Thunder!

Should a Gargant fall, it will likely crush anything in its path. If this model is slain, before removing the model from play, the players must roll all. The player who wins the roll-off picks a point on the battlefield 3" from this model. Each side within 3" of that point suffers D3 mortal wounds. This model is then removed from play.
